Ahnii/Boozhoo,

The summer season is well underway which means that Sauble Park employees have been on site to help with washroom clean up and garbage pick up. As you may have noticed we started a little later this season, however with the beach vehicle access closure the amount of garbage normally accumulated has decreased. We are continuing to clean up as best we can but if you would like to let us know of any garbage or washroom that we may have missed, please contact our Sauble Park Supervisor.

With that said, we do have some of our Sauble Park employees driving the Park vehicles on the beach as part of regular maintenance. At this time, our Park vehicles and some of our contractors still need beach access to ensure Park operations run as smoothly as possible. Our Sauble Park employees are wearing high-visible yellow shirts with the SFN logo on the front and "STAFF" lettering on the back. Please do not be alarmed if you see us on the beach, this is part of regular operations, as we still need the access to complete our maintenance requirements.

We ask for your cooperation and understanding as we continue to work through this new operational process so that we can all have a very enjoyable beach experience this summer.

For inquiries about the Sauble Park Beach Operational Strategy, please contact the Economic Development Office at 519-797-2781 Ext. 1500 or email ec.dev@saugeen.org

For Sauble Park washrooms, beach area or beach garbage collection, please contact our Sauble Park Supervisor at 519-372-7009
